Assignment_12(a) - Notepad

I am a curious and creative person.I love to understand me and working of every complex things
that's why i mastered over Rubic's Cube and I like to solve Rubic's Cube.
 I like to play both indoor and outdoor games along with Mobile and Computer games. I Cricket very well so that I'm Captain
of my team ever I love to play <u>Chess</u>,I've represented my school Competitions many times. Sometimes I play mobile and
computer games like 'BGMI' and 'GTA5.'
As I mentioned above I like Drawing, I have fond of drawing since my childhood, and
I am in it. Actually i have won almost 98% of drawing competitions in which I've participated. But my biggest achievement
was when I got the 1 rank in Maharashtra Combined.</i></u>
Also about dance, I participate in dance competition organized
during Ganeshotsav every year, and I've won it 3 times. I've participated in Play(Stage Drama) of school and acted quite well.

</html>

• OUTPUT

② Conclusion : In this assignment I came to know about adding background and border style by intine and internal cascading.
